The **Appraisers Association of America**, established in 1949, is the premier national association of personal property appraisers serving the arts, legal, and financial communities, as well as the general public. Our members provide independent, ethical, and objective valuations for insurance, estate tax, charitable donation, equitable distribution, and liquidation purposes. Members are required to produce appraisal reports that comply with the Uniform Standards of Professional Appraisal Practice (USPAP) issued by the congressionally authorized Appraisal Foundation.

The **Appraisal Institute of America** is the educational foundation of the Appraisers Association of America. Its mission is to provide, advance and promote educational programs and accessibility to information pertaining to appraisals for the general public and for new and established appraisers.
