## **THE VEIL MAY BE LIFTING: WHAT THE ART MARKET NEEDS TO KNOW ABOUT CURRENT AND UPCOMING DISCLOSURE AND OTHER REGULATORY REQUIREMENTS**

In the U.S., beginning with the antiquities trade, regulators have their eyes trained on the art market to prevent money-laundering and other criminal conduct. Regulators in Europe have imposed similar requirements as well. This panel will analyze what regulations exist and which ones are likely just around the corner, and will suggest what best practices need to be in place when doing business in the art market.
